VFM1530-11

15" DIGITAL PHOTO FRAME

Big Memories to Share.

This beautiful, extra large digital multimedia frame plays music and support most video formats. Choose the ViewSonic® VFM1530-11 with a high resolution 1024x768 LCD panel for clear and crisp photo images. The 4:3 aspect ratio gives you minimum distortion or data loss. It's equipped with a USB connection for easy content download and remote control. This makes a lovely gift for special occasions and for anyone wanting a grand view of all their images.

- Ultra-high screen resolution of 1024x768 delivers lifelike picture quality
- USB 2.0 port allows for fast photo imports from your camera, computer, thumb drive
- Slideshow feature lets you add transition effects and vary display speeds
- Enjoy your favorite MP3 music along with your photos
- Video/audio capabilities for a personalized viewing experience
- Alarm, clock and calendar features keep you on schedule
